

Help Out with Children's Programs at the Webster Public Library

The Children's Department relies on volunteers to help us with our busy schedule of programs for children from birth through grade 5. Volunteers must be at least 11 years old. Our volunteers:

- Help set up for programs
- Help kids with activities during programs
- Help with crowd control
- Wear costumes
- Help clean up after programs

All new volunteers have an orientation during which they have an opportunity to meet staff and tour "staff only" areas of the library. We recruit and schedule volunteers on an as-needed basis, mostly via email. To get started, fill out the application on the bottom half of this sheet and drop it off at the library. We look forward to working with you!

Please print clearly.
