

## 2022 AARP TaxAide preparation at the Webster Public Library

The AARP Foundation TaxAide program will be providing tax preparation services at the Webster Public Library in 2022. This service is for low to moderate income individuals with a focus/training on taxpayers over 60. However, any individual with low to moderate income and complexity is welcome.

Appointments will be available on Mondays and Wednesdays from February 2<sup>nd</sup> until April 13<sup>th</sup>. The first appointments will be at 9am and the last at 3pm. **Appointments may be scheduled starting January 4<sup>th</sup> by calling (585) 678-5260.**

Taxpayers need to pick up the AARP tax packet at the Webster Public Library Information Desk. **All forms must be completed and signed before their appointment.**

When you arrive at the library for your appointment, there will be a check-in table outside of the community room. The library opens at 9am, so please don't arrive early if you have a 9am appointment.

We request that taxpayers and any individuals that accompany them should wear a mask at all times. All of our tax volunteers are vaccinated and will be masked as well.
